This year's Elizabethtown Fair Premium Book cover art was provided by Nancy Landis. The image is intended to honor the wonderful domestic exhibits portion of our Fair, the talented people of our community that fill the hall, and the dedicated volunteer effort that brings it all together.

Nancy Landis is a lifelong Lancaster County resident. She has enjoyed providing the annual Premium Book cover for many years. Please support the Fair by attending the auction on Friday evening where this original artwork will be sold at 9:00 p.m. to benefit the Fair.

GENERAL RULES

1. All exhibitors agree to be bound by the Rules and Regulations of the Elizabethtown Fair.
2. **The Fair management reserves the right to amend and/or add to these Rules and Regulations as its judgments may determine.**
3. **Reasonable care will be taken to protect all exhibits on display from injury and damage, but the Fair is not in any way, to be held responsible for accidents, loss or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss.**
4. It shall be the responsibility of the exhibitor to make known the proper name of the article or breed of livestock he is entering. Any item entered improperly may be disqualified, but the judges will mark the correct name on the entry tag for the benefit of the owner so that the same mistake in entering need not be made a second time.
5. **Chairpersons of each department reserve the right to refuse any entry.** Furthermore, the chairpersons reserve the right to bar from competition animals and/or products of decidedly inferior quality and those not possessing sufficient merit to warrant recognition. **Chairpersons may limit the number of entries per exhibitor.**
6. During judging, buildings, except livestock arenas, are to be closed to everyone except Fair officials, judges, Pennsylvania Fair Fund officials and necessary attendants. No exhibitor or his agent shall communicate with the judge during judging except to answer questions proposed by the judges. Any exhibitor interfering with the judges shall forfeit any premium to which he would otherwise be entitled.
7. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. The same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a ribbon or rosette.
8. **The Fair management may, at any time, order the removal of any exhibit or part of exhibit in bad condition, sick or unruly.** The chairpersons must notify exhibitors of any exhibits that have become unfit. After having done so the chairperson may dispose of the exhibit at his discretion.

ADDITIONAL RULES FOR LIVESTOCK EXHIBITS

1. All livestock entries must be postmarked by August 1st to The Elizabethtown Fair, P.O. Box 285, Elizabethtown, PA 17022. Late entries will be accepted from August 2nd until check-in, provided space is available. The cost of late entries will be \$25 per head.
2. All livestock exhibitors must sign the verification form stating that they have read, understand and agree to abide by all rules established by the Fair and the Code of Show Ring Ethics. A parent signature is also required for youth under 19.
3. All purebred breeding livestock must be accompanied by a certificate of registration which shall be available for chairperson or judge at any time.
4. Joint ownership is considered to be as one owner in accordance with registration papers. Youth livestock exhibits must be registered in exhibitor's name only.
5. **Exhibitors of sale livestock are limited to those residing in Columbia, Donegal, Elizabethtown, Hempfield, Manheim Central, Middletown, Lower Dauphin, Hershey and Palmyra School Districts.**
6. Market livestock will be weighed by Fair officials.
7. **Initial bedding will be supplied. Additional bedding must be supplied by exhibitor.**
8. Should any animal awarded a prize be disqualified, the animal gaining the lower prizes shall move into the next higher position, if, in the opinion of the judges, the animals are worthy of the prizes.
9. All animals must be clean, properly clipped and fitted before show time. Chairperson reserves the right to disqualify animals.

10. **Any exhibitor removing their exhibit prior to the permitted times will forfeit their premiums and be barred from competing the following year.**
11. Exhibitors may not set up before 2:00 a.m. on Thursday following the sale. Early set up will result in forfeiture of premiums. **There will be NO EXCEPTIONS.**

ELIZABETHTOWN FAIR

CODE OF SHOW RING ETHICS

The Elizabethtown Fair has developed a Code of Show Ring Ethic to curtail unethical, deceptive and fraudulent show ring practices. The Code is as follows:

Exhibitors or livestock at the Fair shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standard of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes at competition. This code applies to all livestock offered in any event at the livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and may be prohibited from future exhibition in accordance with the rules adopted by the Fair Board. Exhibitors who violate this code of ethics demean the integrity of all live stock Exhibitions and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of GUIDELINES for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of show official, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any fact relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by show officials.
3. Junior exhibitors are expected to care for and groom their own animals at the show.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal and state statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal and state statutes, regulations and rules affect the animal's performance or appearance at the event.
If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal wither internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in questions, its integrity is preserved and all accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
At any time an animal arrives on the Fairgrounds, all treatments involving the use of drugs and/or medication for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5.
